Leader Schools Recognition Program

Florida Learn & Serve

325 John Knox Road

Building F, Suite 210

Tallahassee, FL 32303

Dear Committee Members:

Neptune Middle School is applying for recognition as a 2008-2009 Florida Service-Learning Leader School for excellence in service-learning. A former National Service-Learning Leader School, Neptune has continued to infuse service-learning into the school's culture and has successfully accomplished integration of community service into the curriculum for more than a decade. More than \$100,000 in grant funding has been secured over the years to continue this worthwhile initiative.

Service-learning is infused into the culture and climate of the school. The efforts have been in place since 1997 and continue to grow each year. I am personally committed to meeting community needs through meaningful service to improve student learning and increase civic responsibility. Being selected as a Florida Service-Learning Leader School would be an honor and recognition any school would be proud to earn. Neptune Middle School would embrace the opportunity to participate in the recognition program and pledge our commitment to the expansion of service-learning opportunities for students.

Sincerely,

A handwritten signature in cursive script that reads "Cindy Mohen".
