Dear Mrs. Cindy Mohen:

On behalf of Give a Kid a Backpack Foundation, we would like to thank you and Ms. Mottola's students for participating in our "Create a Card" program. The cards will be placed inside the backpacks. These cards will bring lots of smiles to children living in extreme poverty.

I want to let you know that the backpacks filled with school supplies are given to the poorest and neediest children around the world. We look at your students' participation in our project as more than a contribution. We see it as being part of a direct investment in the education and welfare of these children. A backpack is not only a package but a step into getting an education.

Give a Kid a Backpack is a nonprofit organization that enriches the lives of impoverished grade school children around the world. GKB partners with U.S. and foreign charities to hand deliver backpacks filled with school supplies and other necessities.

You can read about this exciting initiative—and your important part in it—in the upcoming issue of our newsletter, which we will mail to you in October.

God Bless you and thank you again for supporting EDUCATION.

Sincerely,

Rosanna Kingston
President
